

## Survey of Alumni of Undergraduate Programs 2006 *Highlights*

The 2006 OSU Survey of Alumni of Undergraduate Programs was conducted to provide data to gauge perceptions of various aspects of the undergraduate programs and services and to identify areas where improvements may be needed. A full copy of the report can be obtained from the Office of University Assessment and Testing (744-6687). This sheet describes highlights from the survey results.

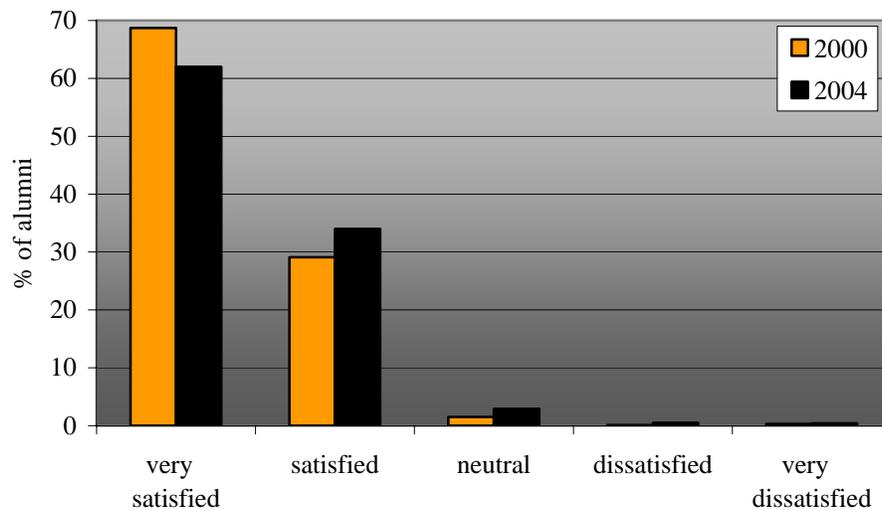

**Population:** The target population for this survey was alumni of undergraduate programs who completed their degrees in calendar years 2000 and 2004. The total of alumni in the target population was 6,440.

**Methods:** The survey was administered as a telephone interview. The OSU Bureau for Social Research conducted the survey interviews in January, February and March of 2006 and coordinated data collection. The Office of University Assessment and Testing analyzed and summarized data and prepared the reports.

**Results:** A total of 2,628 surveys were completed by alumni of undergraduate programs, resulting in a 40.8% response rate. There were 1,009 respondents who graduated in 2000 and 1,619 respondents who graduated in 2004.
