

2026 APR Cycle

The below list of programs was circulated amongst the academic colleges for review in 2026. As each cycle year approaches, there may be unforeseen circumstances of necessary adjustments that require changes to the below list. In the case that a program's cycle needs to be considered or adjusted, please contact your college's IC representative and let UAT know of the needed adjustment.

College	Program Name	Degree Level	Department	OSRHE Code	Next APR Cycle Year	Department Head
Academic Affairs
